Sun
Dec 12 //Onboard Bark Cicero

I begin to write in this book to day Sunday Dec 12, 1880. Very pleasant weather. Read some Almon. Tried to extract a tooth for Will Winslow, but failed. The third mate saw something about $3\frac{1}{2}$ miles away but have seen nothing more of it. Saw a large head turtle in the water. Had a short nap this afternoon. Commenced a letter to Annie.

Mon
Dec 13.

Cut out three calico shirts to give to the officers made two. this morning at 11 A.M. one of the pigs had three little ones. Almon brought one below and put in the bed with me. Almon been to Mast head two hours.

Tues
Dec 14

Made one calico shirt. cut two more out & made them. Almon been to mast head two hours. Saw a sail of the Lee Bow which proved to be an English Man of War. Caught a large dolphin. We been out on deck to night. We been out in the Star board boat. Augustus Gomez saw a white whale, the Mate went aloft & pronounced it porpoise $1\frac{1}{2}$ miles off. been in the mast to feed the hens one I am peting we named Hannah. The little pigs Almon has named. Sankey, Moody, & Victoria Woodhull. Moody we are going to make a pet of. we had it in the house 1 hour this afternoon laying on the ~~orange~~ ^{floor}. To night we broken a lamp chimney.

Wed
Dec 15

Washed our clothes. Almon been to mast head two hours. Mended night dress. Basted one undershirt. Basted one chemise. Almon played on his Violin & Harmonica. Been so warm this afternoon I could not sit in the house with the windows & door open. so sat in the cabin with all the side lights open. Mr Michel taken sick this fore morning & pain in his bowels. Almon called me to see the Dolphin along side.

Thurs
Dec 14

On Board Bark Cicero.

Almon gone to mast-head. Mr Michel, more comfortable. The cook returned in the gally. Made me an undershirt, also one t-shirt. Saw a seal of the Lee Beam. Mr Michael been on deck. It still a calm. Cut of six sheets.

Fri
Dec 17 +

Sail still in sight. Packed our clothes, General the Wanderer. Capt. Heyer, who took 140 lbs of oil after leaving Kaledon bound to St. Helena to leave Mrs Heyer. Mrs Robinson is there and Mrs Handy is out to Mrs Martine. Mrs Allen to her brother-in-law in the country. Capt Heyer gave me 1 bushel potatoes, 1 bushel turnips some beans two jars of butter two jars pickles & some peaches, some vinegar. Mr Barker sent me a jar of preserved cherries & some news papers. One of the black & white pigs had 6 little ones to night is not willing to own them.

Very warm 82 in our sleeping room

Sat
Dec 18

Still a calm & very warm, sewed, old pig bit one of the little ones in two been out in the back.

Sun
Dec 19

Still warm & calm read some Almon lowered for a turtle but he went down & they did not get him. Thermometer 83 in the shade. Sat in the house this eve a little bird flew on board & into the cabin.

Mon
Dec 20

Washed. Almon been to mast-head two hours. Sewed on sheets. Heard the shock of a submarine earthquake twice felt the vessel shake.

Tues
Dec 21

Almon been to mast-head two hours. Sewed on waists. Black pig had 7 pigs.

Wed
Dec 22

All the Black & White pigs little ones have died. Almon been to mast-head two hours. Packed our clothes & mended & finished one waist.

Almon L. Stickney Master 1850

Thu
Dec 23

Strong breeze. Finished night dress. Almon been two hours to mast head.

Fri
Dec 24

Almon been to mast head two hours. Steward got the cabin boys stockings. I put candy, peanuts, coconuts, & a calico shirt into them for a Christmas present.

Sat.
Dec 25

Almon hit his leg against the bot hatch rheumatism has settled there so he has not been to mast head. Today being Christmas I presented a calico shirt to each of our officers & steward. We are having a very strong breeze today. Almon's rheumatism is worse I went to bed as soon as he eat his supper suffering severely. Oh its so sad & gloomy. seems as though my heart must burst - but oh hoping soon he will feel easier I try to master my feeling but with differ culty.

Sun
Dec 26

Very strong breeze saw white water this morn. Almon is a very little easier slept a little after 1. A.M. I slept on his trunk had the lounge cushion brought down for a bed after Almon got quiet I slept some but feeling so very anxious about him I arose early this morn his leg is some stiff has been laid on the chest a little while but his leg is quite painful to night.

Mon
Dec 27

Almon is a little better so he has been up and I made up the bed. finished under robe.

Tues
Dec 28

Almon been up in the house. is still better sewed on night dress. The last of the 7 pigs died today, John Clark sick

Wed
Dec 29

Boat come to work in the gally Almon is around out on deck a little. Finished night dress. Put out a pair of pants for Almon.

1880

Onboard Bark Greer.Thu
Dec 30

Working on Almon's pants. Almon been to mast-head two hours. Caught one half barrel of sardines with a scoop net. Having them cooked for supper. Saw a sail called it a Bark Merchantman.

Fri
Dec 31

Rainy & dull weather. Saw finback. Almon's rheumatic worse this morning oh I do hope he may be better soon. He has gone to bed. He cleared away but still continues to be rugged. So Ends the year of 1880.

1881

Sat
Jan 1

He's very rugged. Almon has arose & gone up in the house but his limb is quite bad. No day is the beginning of a New Year I wish we may get some oil within a few days. Finished Almon's pants cut me out a calico sack. Gone on the other tack.

Sun
Jan 2

Pleasant to day with strong breeze. Bread some. Almon still gaining is around on deck.

Mon
Jan 3

Almon been two hours to mast-head. I have washed our colored clothes but the white ones to soak. My Polly flew over board she flew around the ship then dit on the water were about to lower a boat for her but caught her in the scoop net & sewed on my sack.

Tues
Jan 4

Almon been two hours to mast-head. Finished my sack. Commenced to sew on night dress. Washed the white clothes.

1881 Wed
Feb 2

On Board Bark Cicero.
Hav. Land at 12 30. today of weather low
finished one mat - commenced the
other. Viewed cove. Almon been two hours
at Mast-head.

Feb 3
Thu
Fish Bay.

Layed off & on at Fish Bay. Almon
lowered all boat & gone ashore at 8.15 A.M.
returned at little after 5 P.M. With Beans,
Sugar, Potatoes, a box of Crackers, package of
Chocolate, Eggs, Melons & Bananas. A schooner
with three men came along side, huzed close
under our bow & hailed us we paid no
attention to them, but started for sea dur-
ing the evening they hailed us again &
wanted we should take them on board.
But we did not do so they could not keep
up and lost sight of them they were
two ships length a steam of us.

1851.

Aug 24

Onboard Bark Cicero.

Almon has been sitting in his right foot. He has been to mast-head two hours. Repaired Mary blue dress. Washed her clothes. Almon's foot is sore and cannot go bare, cut the clothes.

Almon is quite bad so he thought he would remain in bed. But they raised a ~~raft~~ ^{raft} and went out to sea. Almon could not get his shoes on so went in his stockings feet. After dinner the boat sailed. Almon was in a very bad way. He was in a little bed with a pillow. The boat arrived along side then got down in the fast along side. Some below and went to bed. Almon was in a very bad way.

Almon

31-

Hls.

Almon suffered severely with rheumatism in his foot & hand slept but little during the night. Not so he can get out of bed. He was cold yesterday. He commenced to work on the whaler at 5 A.M. It does not seem possible one can lay and suffer as much as Almon has. He has not shut his eyes to sleep to night. His foot has pained him so severely. He slept on the chest. Made grass cloth into a pillow.

Almon still suffering with any thing a little better. Rainy weather. He has not yet gone to sleep until 2 A.M.

Almon is now almost helpless. He is very sick and will not get up.

Almon was sick some time in the fore-cabin. From 2 P.M. to 4 P.M. He was in a very bad way. He was in a very bad way. He was in a very bad way.

Feb 11
Jan 21

Almon is now much better.
He is now able to walk
in door.

Feb 1
